

## WHO WE ARE

The Credit Institute of Canada (CIC) was created by a special Act of Parliament in 1928 and is the only organization, which grants official designations to professionals in the Canadian credit field.

The objective of the Institute is to provide its members with the most current and comprehensive educational programs in credit and financial management to meet the needs of students and the business community.

The Credit Institute of Canada is proud to be your partner to a successful career by providing ongoing learning, a unique experience to associate with like-minded individuals and a clear path to recognition for credit professionals.

## GAIN TRUST AND RESPECT

CCP is an official recognition in credit management that validates your professional competency and gives you a competitive advantage with employers and recruiters. CCP students develop critical skills that they can apply in a wide range of industries.

## OVERVIEW

The CCP program offers comprehensive training in credit management, equipping professionals with the knowledge and skills needed to excel. Recognized for its high standards, the CCP designation signifies excellence and commitment to the credit profession.

## THE PROGRAM

Developed by leading subject matter experts, the program covers 8 courses across 4 semesters.

Enrollments take place in January, April, June and September each year.

## CIC ADVANTAGE

**Independent & Online Learning:**  
Flexible study schedules that fit your lifestyle.

**Accredited Certification:**  
Recognized by employers and peers in the credit industry.

**Bilingual Courses:** Available in both English and French.

"The CCP Program has already opened doors for me. Getting the right credit knowledge and learning from industry experts is an opportunity not to be missed."

— Sheik M. El Bheekharry, CCP

"I recommend the CCP to anyone out there working in credit. It really has changed the whole perspective and dynamic of my career..."

— Jennifer Karen Bourne, CCP

"I have continued to engage in professional development, which has also played a large role in my career growth. The Institute provides the ideal forum for me to network with other credit professionals, share ideas and learn from each other.."

— Tony Lengua, CCP

## THE DESIGNATION OF CREDIT PROFESSIONALS

The CCP program is designed for independent study, enhanced by online learning and optional lectures. Obtaining the CCP designation can fit your busy lifestyle!

Dedicating approximately 15–20 hours per week on your studies per course, is all that is required to fit in with your work and family life.

Students have 7 years to complete the program, however, it can be completed as quickly as 2 to 3 years. Prior to graduation, students must obtain five years of practical experience in a credit position.
